About GBC

Government Business Council (GBC), the research arm of Government Executive Media Group, is dedicated to advancing the business of government through analysis and insight. GBC partners with industry to share best practices with top government decision-makers, understanding the deep value inherent in industry's experience engaging and supporting federal agencies.

GBC and Samsung deployed a survey to a random sample of Government Executive, Nextgov, and DefenseOne online and print subscribers in April-May 2014. This infographic shows survey data from 318 federal employee respondents, including those of GS-11 through 15 grade levels and members of the Senior Executive Service.
